**COMMENTS ON EXAMINER'S AMENDMENT**

Sir:

Applicants received the Notice of Allowance and Fee(s) Due dated August 24, 2007 for the above-referenced application. Such Notice included an Examiner's Amendment which stated the following:

Gerrard et al (US 2004/0048644) and Gauselmann (US 2005/0054414) both teach a shell type bonus game.

Applicants respectfully disagree with such conclusion at least because Gauselmann does not disclose any "shell type" concepts. Gauselmann discloses doors which are selectable. Gauselmann does not disclose the concept of rearranging such doors.

Applicants respectfully request that these Comments be entered of record in the file of this application.

Respectfully submitted,
